## **Policies for Postings**

1. Individuals should abide by the rules of good netiquette *and* etiquette. Discussions of politics and religion are not appropriate in this setting.
2. Postings will be available for all class members to read. Comments and questions not suitable for general review should not be made. All others are to be made in a respectful, sensitive, professional manner.
3. Assignments and other postings must be posted to the appropriate item, labeled accordingly.
