

Exploring the New NYS Math Curriculum (Including Ways to Integrate the Graphing Calculator)

Course Policies:

- Students are required to log-in to the Caucus at least 3 days a week. (Weeks go from Monday to Sunday)
- All assignments are due at 11:59 on the due date. Late assignments can only be handed in to the Late Assignment thread and will result in a loss of credit on the assignment.
- Students are expected to use proper netiquette at all times, please visit www.onlinenetiquette.com.
- Students are expected to be respectful of other classmates. Criticism should be worded in a constructive manner and no one should feel attacked by other student's comments.
- Assignments that are plagiarized in full or part will not receive a recommendation for in-service credit.
- Students must review the course assignments and due dates to ensure that they will be able to complete all assignments on time.
- Technical problems should be addressed immediately (call 1-800-462-9041, Monday to Friday, 9-5).
- Students agree to share lessons and allow other classmates to use their lessons or lessons they have found on-line.

In-service Credit:

You will be recommended for inservice credit if you meet the following criteria:

- Participate actively in discussions
- Complete all assignments fully and correct any assignments that need corrections
- Comply with all of the course policies
